- Teamwork

SUMMARY

Frontend Developer with 6+ years of experience in creating responsive, intuitive user interfaces. Skilled in React.js, Next.js JavaScript, HTML, CSS, SCSS, Bootstrap and Tailwind. Passionate about translating designs into clean, efficient code, and committed to delivering seamless, visually appealing web experiences that exceed client expectations. My focus is on delivering high-quality web solutions that drive business growth.

EXPERIENCE

Frontend Developer (Remote) | Jan 2021 to Present
Software Industry Ltd., Dhaka, Bangladesh

Key Responsibilities:

- Create frontend design with HTML, CSS, Bootstrap, JavaScript & React/Next.js.
- Collaborate with back-end developers and stakeholders to improve usability.
- Create quality mockups and prototypes.
- Create designs that are responsive and adapt seamlessly to different devices, such as desktops, tablets, and smartphones.

Frontend Developer (Remote) | Jan 2018 to Dec 2020
Kacchin, California, USA

Key Responsibilities:

- Translate design concepts into responsive and efficient code using HTML, CSS, JavaScript and React.js.
- Maintain and improve existing websites.
- Ensure the technical feasibility of UI/UX designs.
- Ensure cross-browser compatibility and resolve any issues.

Web Designer | Apr 2015 to Nov 2017
Virtual IT Solutions, Barishal, Bangladesh

Key Responsibilities:

- Crafting visually appealing, user-friendly and functional web solutions.
- Designing high-converting landing pages for maximum engagement.
- 100% W3C Validated HTML and CSS code.
- Fully responsive, custom & unique design.
